Message

28th October 2024

As we observe Vigilance Awareness Week from October 28th to November 3rd, 2024, I would like to take this opportunity to emphasize the importance of integrity, transparency, and accountability in our organization.

Vigilance Awareness Week serves as a reminder of our collective responsibility to foster an environment free from corruption and malpractices. It is vital that we uphold the highest ethical standards in all our operations, ensuring that our actions reflect our commitment to excellence and fairness.

This year's theme, "**Culture of Integrity for Nation's Prosperity**" resonates deeply with our core values at HURL. Each one of us plays a critical role in maintaining the trust bestowed upon us by our stakeholders, clients and the community. I urge you to engage actively in the activities planned for this week, that will enhance our understanding of vigilance and ethics.

Let us all commit to being vigilant not just during this week but as an ongoing practice in our professional lives. Together, we can build a stronger, more transparent organization where every action is guided by integrity.

Thank you for your dedication and commitment to making HURL a model of ethical conduct.

With Regards

S.P. Mohanty
Managing Director, HURL
